Retiree Dept. Director – While the general membership cannot vote for this position the membership at the September 11th, 2016 meeting does endorse and urge all retirees in the APWU to vote for:

Joe Gordon, 480-481 Area Local (MI)

Additionally the members in attendance at the September 11th, 2016 meeting approved the following contest to get out the vote in this national election:

Resolution to encourage our members to get out the vote in the 2016 APWU National Election – Presented to the membership for vote on 9-11-16.

Whereas; The APWU is a fully democratic union that gives all members in good standing their voice through their vote – as in one person, one vote,

Whereas; we are one of the largest Area Locals in the APWU and it is important we use that strength to see those officers we endorse win election and hold office,

Whereas; we have spent a considerable time choosing who to endorse for this year's 2016 election of national officers,

Therefore Be It Resolved; The 480-481 Area Local President will ask the Chairperson of the APWU National Election Committee Anthony "Tony" Turner to randomly draw 20 ballots from the from those designated as having come from the 480-481 Area Local.

Those 20 names will be entered into a local drawing where the first 19 pulled will received a \$25.00 Visa Gift Card and the 20th name drawn will receive a \$100.00 Visa Gift Card. This drawing will take place at the October 2016 general membership meeting.
